A camporee is a chance to join in one of the oldest traditions in Boy Scout history – coming together as a District for Scouting competition. District gatherings provide an opportunity to match skills against others within our district. There will be fun, friendship, and fellowship. This passport is intended to help your patrol locate your competition stations and to record your earned scores.

The Scout Oath and Law will govern the behavior of all participants during this weekend..

All events for Surviving World War II Camporee are based on essential Scouting skills and concepts as taught and used in the Scout to First Class rank advancement section of the handbook. They also include fun type challenge events that require effective communication, leadership, and teamwork to successfully complete. Your passport lists the activities for your patrol to visit. The score for each event will be recorded by the Station Master on your Deployment Orders. You must turn in your Deployment Orders to the Wood District Staff as you finish your last event in order to be eligible for any awards.
